By this petition the petitioner seeks a direction to give the petitioner another chance to appear for physical test. She is disqualified and not selected for the post of Police Sub Inspector because she failed in the physical test.

2. The contention is that the failure is attributable to harsh conditions which were existing only at the center in which the petitioner appeared. Whereas other similarly situated lady candidates were required to undergo these very tests in better and congenial atmosphere. That the conditions were harsh may be true. But services for which physical test is required is for recruitment as police official. In such circumstances when no malafides against selecting authorities are alleged we see no reason to interfere. Hence Petition rejected.
